

# 4081.72 1-inch Sliding Ball Arm Mount Mark II

## **Bolded items included in package**

- Mounts to Ball Arm Mark II Extensions for the addition of a lightweight accessory in the middle of your arm system. A three-pronged wing nut provides adjustability to slide your accessory up and down the length of the arm to reposition lighting easily during your dive. Requires a Ball Arm Mark II Extension, sold separately.
- Works with 1-inch ball clamps from Ikelite, TLC, Ultralight, Nauticam, and others.
- To attach, slide the Stud through the center opening in the Ball Arm and tighten Wing Nut. Ball components with an o-ring groove should have an o-ring installed at all times.

## **Spare Parts**

- 0138.18 1-inch Ball O-ring

## **Limited Warranty**

This Ikelite product is warranted against any manufacturing defects for a period of one (1) year from the original date of purchase. Defective products should be returned to Ikelite postage paid. Ikelite will, at its sole discretion, repair or replace such products, and will return to customer postage paid. All other claims of any nature are not covered. Except as mentioned above, no other warranty expressed or implied applies to this Ikelite product.
